

**"Success is no accident. It is hard work,
perseverance, learning, studying, sacrifice and
most of all, love of what you are
doing or learning to do."**

— Pele, Brazilian soccer player

Standing on the shoulders of giants, not only is it our goal to continue the greatness established before us at OLAA, but to surpass it. After twenty-six years of determination and excellence, we are summoned by a generosity that doesn't count the cost, but incites us to give our all to make this year's Jogathon our most successful one yet!

Many material needs are in play when running our Academy and, with these, come significant costs. For our Academy to continue its success, we are resolved to raise enough money to cover our expenses. Our goal this year is \$60,000, but together we will aim to top last year's mark of \$109,000. Please help each student hit their fundraising goal of bringing in at least \$800. Many people want to give to this cause, but are waiting on you to ask!

A number of incentives are available to all students who participate. Among the individual prizes are spirit wear and cash prizes. The highest earner gets \$300! If the entire school raises over \$80,000, we will celebrate with a day off of school.

Let's Go Sentinels!
